GENERAL STUDENT/PARENT RESPONSIBILITIES

Students are responsible to become thoroughly familiar with the Catoosa County Student Discipline and Attendance Handbook, Board Policy, and the following LFO Student policies and procedures. They are to abide by their guidelines at all times at school and at school activities. A copy of this handbook is kept in the guidance office(s), media center, main office(s) and all classrooms.

ATTENDANCE

LFO will continue to emphasize using instructional time productively. Good and regular attendance is extremely important for student success. Furthermore, students must be on time both to school and to class. Students who are not in class each day cannot benefit from the teaching and learning process and their grades will reflect this.

A high school student is required to be in attendance for more than half of the school day in order to be considered present for the day. Half the school day is defined to be 11:45 a.m. Students must also be present for half of any class period to be marked present on that day.

ABSENCES

An absence is defined as not being in class for any reason. The absence will be coded “excused” or “unexcused” as appropriate based on the following attendance policy set by State Law and Local Board Policy:

EXCUSED ABSENCE (Except for those on CART)

1. Illness of student with note from parent (students are allowed up to 3 per 9 week).
2. Serious illness or death of an immediate family member (parents, siblings, grandparents, other adults living in the home).
3. Mandated order of a government agency.
4. Religious holidays.
5. Conditions rendering attendance impossible or hazardous to students’ health or safety.
6. Registering to vote or voting for a period not to exceed one day.
7. Student court appearances.
8. Seniors may use (2) days per year **prior to May 1** for college visits.
9. These may not be taken during exam weeks. Prior notification is required. Documentation required upon return.
10. Others approved in advance by the principal.

UNEXCUSED ABSENCE

1. All absences other than those listed above.
2. Out of school suspension days (OSS).
3. A student who is absent more than 10 consecutive unexcused days will be withdrawn from school.
4. Ten unexcused absences per semester will result in non-compliance letter mailed to GDOT (see driver’s license section).

SCHOOL-CAUSED ABSENCE

School-sponsored activities will not count as an absence. The school has the right to deny student participation in any school related activity based on grades or discipline. All students will be limited no more than 3 activities per semester. All students must have a 70 or greater before they will be allowed to miss any classes. Students will be required to provide a written permission form from the teacher of any class they will be missing before they are allowed to leave.

1. School related field trips
2. Athletic events (if approved, these will not count towards the 3 per semester)
3. Serving as pages of the Georgia General Assembly.
4. Gold card days with prior approval (may not be taken during exam week).
5. Others if approved by Administrators.

PROCEDURES FOLLOWING AN ABSENCE

When a student is absent he/she will not be admitted to classes without his/her admit from the attendance office. The student will have his/her teachers sign the **admit in each block.**

On the day following the absence, the student must bring a proper documentation dated and signed by a parent/guardian explaining the absence. The absentee note should be presented to the attendance clerk **prior to the first bell so that the student will arrive in class on time.** **Failure to comply with this requirement will not allow time to process the admit and will result in the student being charged with a tardy to school.** The student should plan to be early on the day following the absence in order to have time to receive an admit.

Students who do not bring an official written and signed statement will have the admit stamped “unexcused” **regardless of the reason.** **After three (3) days, written statements and doctor’s notes will not be accepted.** LFO considers any note that has not been signed by the parent or legal guardian to be an illegal document and students submitting an illegal excuse will be subject to disciplinary action.

PERFECT ATTENDANCE

High school students are determined to have perfect attendance if (1) they do not miss a full day of classes or (2) they do not miss more than 10 individual class blocks.

FINAL EXAM EXEMPTION POLICY

If a student meets the following attendance and grade criteria they are exempt from having to take a final exam in a class:

1. Perfect attendance and passing grade.
2. One unexcused absence with a “C” average
3. Two unexcused absences with a “B” average
4. Three unexcused absences with an “A” average.

This exemption **does not apply** to the EOCT. It applies to exams given the last two days of the semester. Only UNX absences count toward final exam exemptions. A student must have administrator approval before taking their final exams at another time.

EARLY DISMISSAL WEDNESDAYS

In order to provide collaboration time for teachers, the school/class schedule is modified on Wednesdays. Student drivers/car riders will be dismissed at 2:20 pm every Wednesday unless altered and announced by administration. As the official school day will end at 2:20 on these days, parents may pick up students in the parent pick up line at 2:20 on early release days. Since buses will run on the normal schedule, students who elect to ride buses will remain at school in a teacher guided study hall until 3:15 pm. These study halls will provide students the opportunity to complete their homework assignments and receive additional support before leaving school with the assistance of LFO staff members. **In an effort to keep all students safe and supervised, those students not picked up or off campus by 2:45 will report to study hall, where they will be released at 3:15.**

Also during this time, some career and co-curricular clubs will meet, the jazz band will practice, drama will rehearse, and there will be a Wednesday detention which students may be assigned for disciplinary purposes. A "Test Center" will also be provided for students who need to re-take or make-up a test. Students will need to make arrangements with their classroom teacher to schedule retakes in the Test Center.

MAKING UP WORK

According to Board policy all work missed due to lawful and school related absences is to be made up. In addition, any teacher may require work missed due to unlawful absence to be made up for **no credit**. The time allowed to make up work should be equal to the number of days absent. Example: two days absent = two subsequent days allowed to make up work.

DRIVERS LICENSES

Students should come to the Main office at least a week before they plan to get their driver's licenses to sign the application list stating name and date of birth. Student may not come during class. Each student's record must be checked to verify that he meets the state attendance requirements. **Forms are then issued and may be picked up no sooner than three (3) days following the application.** These forms may be picked up before school, after school or during lunch. **The form is good for thirty (30) days from the date signed by the principal.**

GEORGIA'S TEEN-AGE ADULT DRIVER RESPONSIBILITY ACT (TAADRA)

This act requires that the local school systems certify that a student's attendance pattern and discipline record permits him/her to have a Georgia driver's permit or license. This act applies to all minors who are at least 15 years of age and under the age of 18. When such a minor submits an application for a Georgia driver's license or instruction permit (learners permit) applicant must present proof that he or she is enrolled in and not under expulsion from a public or private school and has satisfied relevant attendance requirements for the academic year (student has not had more than ten school days of unexcused absences in any semester or combination of two consecutive quarters) and for the current academic year (**student has not had ten or more school days of unexcused absences**).

If a student has more than 10 unexcused absences a non-compliance letter will be filed with GDOT to revoke the student’s license.

Procedures to follow to obtain a Certificate of Attendance:

1. Sign the request list in the main office during lunch, before or after school.
2. After 3 school days, students may pick up the notarized certificate from the Attendance Office.
3. **During the regular school year the certificates are good for 30 days. During the summer months the certificates may be obtained any time during June and July, Monday-Thursday in the Main Office. School office will be closed on Fridays during June and July and the week of July 4th.**
4. For further questions: https://gadata.doe.k12.ga.us/TAADRA/taadra_docs.cfm

HOSPITAL/HOMEBOUND

If extended absences are necessary, hospital/homebound instruction is available for students who meet the criteria. Forms may be picked up from the nurse’s office.

CHECK IN/CHECK OUT PROCEDURES

All dismissals must be administered through the attendance office. **Students will be dismissed only during class changes except when conditions arise that make it impossible or impractical to delay class interruptions.** Whenever possible, doctor and dental appointments should be made outside school time. Students must go to the attendance office to sign in and out.

School board policy requires that a parent or legal guardian must personally come to school to sign for a student to be dismissed for any reason other than a documented doctor or dental appointment, except in emergency situations determined by an administrator. Checkouts cannot be made by phone or FAX. Parents or guardians signing for a dismissal may come to school at any time during the school day but are asked to work with us to protect instructional time by timing their checkouts to coincide with our bell schedule. **There will be no checkouts after 3:00 with the exception of EXTREME EMERGENCIES.**

The following general rules apply to early medical dismissal:

1. Students should bring notes to the attendance clerk before school stating the name and phone number of the doctor or dentist.
2. It must specify the date and time of the appointment.
3. It must contain the parent’s signature and daytime telephone number.
4. School personnel will confirm the appointment.
5. The student must come by the attendance office and sign out before leaving school campus.
6. **The only persons that can check out a student are those previously listed on their check out list and have been verified for that particular day.**

TARDIES TO SCHOOL AND CLASSES

A student is not considered tardy if his/her bus is late. Documented legal, medical or dental appointments are considered excused. Students who are ill and check in tardy will be required to make up work.

According to Board Policy, students who have an unexcused tardy or absence from school or an unapproved checkout of school **may not participate in a game or practice held that afternoon or evening in extra-curricular areas.** Illness is not a satisfactory excuse. If one is too ill to come to school, it is not in his best interest to participate in the activity.

TARDY POLICY

Please be prompt in reporting tardies to class.

Tardies 1 and 2 – Written Warnings

Tardy 3 – Parent Call

Tardy 4 - 1 Lunch Detention

Tardy 5 – 3 Lunch Detentions

Tardies 6 - Administrator Discretion to include Saturday School, Parking Permit Pulled, ISS, etc.

*Additional tardies will be handled at administrator's discretion.

CONTRIBUTIONS

Each student is asked to contribute \$30 per year to help cover the cost of student supplies and materials. In addition to the \$30 students who live out of county must pay out of county tuition, and students who live out of state must pay out of state tuition.

LOCKERS

Students may not share lockers. Students are encouraged to rent a locker in which to keep books, coats and book bags during the school day. Coats, jackets, hats and outerwear that do not meet dress code must be stored in lockers during the day.

Lockers with locks are available for a rental of \$20.00 per year. No refunds will be issued. Lockers will be issued at the beginning of first semester. Tell no one your locker combination. Lockers may be searched by the administration at any time without notice. Locker checks will be held periodically.

BOOKBAGS, GYM BAGS & OVERSIZED BAGS

Book bags, gym bags and other oversized bags may be used only to carry books to and from school. For safety reasons, limited classroom space and crowded hallways, book bags must be placed in a locker after the student arrives to school and before first block. Time will be allotted before school and between classes to visit lockers. Buses will remain at school long enough to allow students to go to their lockers after school has ended. This policy includes but is not limited to PE, Weight Training, and ROTC.

Hallways will be open at 7:45 A.M. so that students may go to their lockers.

SCHOOL DAY

School is considered to be in session between the hours of 7:00 a.m. and 4:00 p.m. **Upon arrival, students should report to the cafeteria/commons area. All students will be required to report to the cafeteria between 7:00 and 7:30 a.m. Outside food is not allowed to be brought into the building other than what is prepared and brought from home for student lunches. Students may not sit in cars or stand outside the building at the end of the hallways or in front or back of the school.** No tobacco is allowed on campus. (State Law)

Students are under the supervision of school personnel during the school day as well as at extracurricular activities. Teachers are on duty at all school functions. They have the authority to correct or reprimand any students who do not conduct themselves appropriately. The teacher will dismiss students from classes, not the ringing of the bell.

Students may not leave campus during the school day for any reason unless given permission from an administrator. Students may not leave campus to pick up lunch and check back in. **Students may not have lunch/breakfast brought to them.**

Students are not to be picked up or dropped off in front of the school. In the afternoon, students should wait for rides only in designated areas. Designated areas are at the rear of the school and at the east end of the school (stadium side). Students should not be on campus after 4:00 unless under the supervision of a teacher/coach. During bad weather, students may wait for buses in the main lobby area. Please make arrangements to be picked up by 4:00 P.M. PLEASE OBSERVE ALL PEDESTRIAN CROSSINGS, SPEED LIMITS AND TRAFFIC SIGNS.

BUS SERVICES

Students who ride a school bus are expected to follow the appropriate behavior outlined in the system disciplinary handbook. REMEMBER – BUS RIDING IS A PRIVILEGE – NOT A RIGHT.

Students must bring a note from home if they wish to ride another bus, get off at a different stop or ride home with another student on his bus. **Notes must be brought to attendance clerk before school begins.** Note must have daytime phone number of parent where they can be reached during school hours.

OFF LIMITS AREAS

The following areas are off limits to all students at all times during the school day.

1. All parking areas
2. Any special rooms set aside for staff members only. (Faculty lounges, work-rooms, boiler room, mailrooms, and faculty restrooms.)
3. All outside areas except for designated lunch areas and walkways during class changes.
4. Areas under and entrances to stairwells, between building at gym and band entrance, except as passageways during class changes.
5. Performance Gym area unless supervised.
6. During class time, students with passes to the restroom are to go to the

- restroom in the hallway closest to their classroom, not in the commons area.
7. Vending machines during class time. These machines will only operate before school, during lunch and after school.
 8. All Construction Areas

VISITORS

Parents are always welcome at LFO and are encouraged to visit classes. To better manage the instruction of students and the time they spend with school personnel, appointments should be made in advance to see a teacher, counselor, or administrator except in emergencies.

ALL VISITORS must check in through the main office and receive a visitor's pass. Students ARE NOT to have visitors at school. School policy is to accept only those visitors who have legitimate business at school. An administrator may refuse to issue a visitor's pass anytime he or she feels it is in the best interest of the school to do so.

Parents may receive visitors' passes to observe classes. All visitors should park in designated visitor's spaces. Any person found on the school grounds without permission from the administration is trespassing and is subject to arrest by police authorities

DETENTIONS

School detention is held on Tuesday and Thursday before and after school. If a school detention is assigned, you are responsible for transportation to/from the school. Detentions may also be given by teachers to be served with them in their classroom. These detentions may be assigned before or after school as well as during lunch.

SATURDAY SCHOOL

When scheduled, Saturday School is held from 8:30 a.m. to 11:30 a.m. Students must provide their own transportation to and from Saturday School. The number of students attending Saturday School determines the activity in which the students will be involved. They may include:

- Raking Leaves
- Trash Pick-up
- Gum Removal
- Window/Door Cleaning
- Other minor "chores" about the school.
- Academic study hall

Students who refuse to accept this program will be subject to alternative measures.

Failure to attend Saturday School will result in 3 days of ISS. Any future absences from Saturday School will be handled at administrator's discretion.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, furniture, and equipment supplied by the school. Students who disfigure or vandalize school property or the personal property of others will be required to either pay for the damage or replace the item.

Areas used by students, including classrooms, hallways and other common areas, cafeteria, restrooms, gymnasium, etc. should be kept free from trash and graffiti.

Students are expected to dispose of trash and garbage in proper containers, return lunchroom trays, and aid in keeping the school clean and well maintained.

PERSONAL PROPERTY ITEMS BROUGHT TO SCHOOL

To minimize the possibility of having personal property damaged, students should limit items brought to school to only those items necessary for school activities. Items that cannot be brought to school include CD players, video cameras, cameras, laptops, or any other musical electronic device including headphones. (Cell phones see Telephones) **SKATEBOARDS ARE NOT ALLOWED ON CAMPUS AT ANY TIME.**

The administration/school is not responsible for personal items brought to school which are lost or stolen. Thefts and losses should be reported to the office to aid in recovery, but there **is no assurance that recovery will be made.** Personal valuables and purses should not be left unattended, nor should they be left in classrooms, ROTC or gym changing areas. **PE and ROTC teachers have procedures for students to follow** for storing valuables during PE and ROTC classes

In some subjects, students will be furnished with one or more textbooks and in some classes issued supplies. Textbooks are loaned to the student for use. They should not be marked on or written in any way. Books should be covered with book covers on all new books. Reasonable wear and tear is expected as a result of daily use; however, unreasonable damage will result in payment for damages or replacement of the book(s). Lost textbooks must be paid for and replaced immediately, at replacement cost. Equipment and supplies issued to students must be used responsibly. Equipment that is damaged or lost must be repaired or replaced at student expense.

PUBLIC DISPLAY OF AFFECTION

Students should be careful at all times to avoid undue familiarity and the violation of accepted standards of behavior. The school considers visiting in secluded areas under stairwells or corners of the building, an arm or arms around the other person, kissing, petting, standing too close to one another, and other similar actions as undue familiarity **and a violation of accepted standards of conduct** during school hours or when under school supervision.

TELEPHONES

Students will not be excused from class to use the telephone. If a student becomes ill at school, he should notify his teacher who will follow proper procedures, which includes **giving a pass from class to go to the nurse.** The nurse will make proper contact to parents. Students may obtain permission from an administrator to use a school phone located in the

main office for (1) school business and (2) emergency use only. **Students are never to use teacher telephones.**

Students may use their cell phone at school with the following exceptions:

Students may not use their cell phone during class time. **Phones shall be turned off during class time** unless the student is given specific permission to use it by the teacher of the class of which it is being used. Current Catoosa County Policy will be followed if a student uses a cell phone in class.

Restrictions on cell phone usage: Students are prohibited from using their cell phone to make video recordings at school, to cheat or plagiarize, to bully or haze others, to disrupt the learning environment, to view pornographic, vulgar, or inappropriate content, to post derogatory content on social media sites, or take unsolicited or unwelcome photographs of students, staff or facilities.

Since cell phone use may allow students to access the internet, the following restrictions apply: Students must adhere to the Student Code of Conduct while using their cell phone at school. Cell phones may not be used for commercial purposes or for-profit activities. It is prohibited for students to send emails or other forms of electronic communication of libelous or inflammatory language, denouncing or harassing communication, sexually explicit language, racially offensive language, or to impersonate others. Students must adhere to acceptable use policies of any websites they visit. Students may not visit any website with content which would violate the system's acceptable use policy or Student Code of Conduct.

Students who inappropriately use their cell phone at school will be subject to discipline as stipulated in the Student Code of Conduct. **Additionally, students may lose their privilege of using their cell phone at school for a length of time to be determined by the school administrators.**

To maintain our policy of **keeping classroom time free from interruptions, telephone messages will not be delivered to students.** When an EMERGENCY arises, the nature of the emergency must be given to a school official who will determine whether to interrupt class. Arrangements for routine matters such as rides to and from school, car and house key delivery and pickup, job times, meetings places, **are not considered emergencies and should be made before students arrive at school.**

HALL CONDUCT/PASSES

Time between classes is provided for students to go to lockers, restroom and for arrival to the next class on time. Excessive noise, running, and other activities that affect the smooth transition between classes or student safety are not allowed. **Passes are not given to lockers, parking lot, office, to the bookkeeper for change or to cash checks, commons areas, snack machines, telephones, or other teacher's rooms.** Passes to the media center should be related to an assignment in the class of the teacher issuing the pass. Passes to guidance will only be given at the request of a counselor who will page or send for the student. Students may not disturb a class to talk with another student without the written approval of an administrator. Students should not peer in doors and distract students. Students must have a pass from a teacher to be in the hall during class time.

This pass policy applies to ALL students in the halls for any reason unless the group has been called out of class for a special purpose. **DO NOT LEAVE CLASS FOR ANY OTHER REASON EXCEPT A PHYSICAL EMERGENCY WITHOUT A PASS.** During class time students with passes to the restroom are to go to the restroom in the hallway closest to their class, not in the commons area.

FIGHTING

High school students are too old to be settling their disagreements by fighting. Any student who engages in a fight on school property will be either taken to jail and/or legal complaint will be filed. Please refer also to the county discipline handbook.

A fight at any school activity, both on and off school property, is the same as fighting at school and carries the same penalties. Likewise, a fight that starts at school and continues off campus carries the same penalties as if it occurred at school.

CHEATING/PLAGIARISM

Students are expected to do their own work and complete their own assignments. If a student cheats on a test, he will receive a "0" on the test. If a student copies someone's homework paper, uses a student's ID, or copies computer work, both students will receive a "0" on that assignment. **If a student cheats on a final, he/she will not receive credit.**

Plagiarism is stealing, or passing off as your own, words or ideas of another person. Copying from a book, word-for-word or even putting the information into your own words and not giving credit to the author is plagiarism. Any information whether from a book or off the internet received from another source must be documented with credit given to the author. Anything taken word for word must follow rules for quotations. Plagiarism is cheating and will be dealt with in like manner. Parents will be notified if students cheat or plagiarize.

STUDENT ILLNESS

We take your health and well-being seriously and want to take appropriate action to assist you. Students who become ill or who are injured during the day should notify their teacher. The teacher will determine the nature of the illness and contact the office, refer the student to the nurse, assign someone to accompany an ill student, administer first aid, or seek assistance as necessary. (Students should not go to the restroom alone when ill.) If feasible, the teacher will issue a pass to the attendance office where the student may seek assistance. At the request of the nurse or administrator the attendance clerk will contact the parent/guardian to come to school to pick up the student. **The nurse must notify an administrator before sending a student home.** At the discretion of an administrator, emergency treatment may be sought and a parent/guardian will be contacted.

If a student brings prescribed or over-the-counter medicines to school, he/she must leave the medicine in the nurse's office. The student should get a pass from the teacher to go to the nurse's office when he/she needs to take the medication. All medication must be taken in the nurse's office.

Georgia Law now permits students with asthma to carry inhalers PROVIDED a doctor's letter is on file stating that the medication is prescribed and parent permission is noted on the school medical form. Parents are required to provide the school with emergency information and to notify the school if name, address, and phone numbers change. **Failure to submit required student forms will be grounds for dismissal.**

COMPUTER RULES

Computers are used as a tool to assist instruction. Students are expected to take proper care of the computers and to use them in a responsible and ethical manner. LFO computer rules are very detailed and will be given and explained to you by your teacher. Both you and your parents will be asked to go over the rules in detail and sign that you understand the rules and will comply with them totally. **Failure to do so carries very stiff penalties, including ISS, OSS, taking away of privileges, restitution and even prosecution. BE SURE YOU KNOW AND APPLY THESE RULES.**

INTERNET USE

Any student whose parent requests in writing that their child not be allowed to use the Internet will be restricted from Internet and will be given alternate assignments. **UNLESS THIS NOTICE IS ON FILE, STUDENTS WILL RECEIVE FULL COMPUTER PRIVILEGES ACCORDING TO COUNTY POLICY.**

MEDIA/WEBPAGE RELEASE

If a parent/guardian denies on camera/newsprint release, or web page publication, denial must sent in writing to the Vocational office. **It is the student's responsibility to notify his/her teacher/coach/sponsor of the denial.**

SAFETY

Students must adhere to safety rules in all school areas. Those classes with heavy equipment can be dangerous if safety rules are not followed: i.e. wearing safety goggles, wearing hard hats, wearing safety gloves, being in unauthorized areas, improper use of equipment, or any type of horseplay etc. **Horseplay will not be tolerated on school property or while attending a school event. Failure to comply with these safety rules may result in disciplinary action which may include ISS, or OSS.**

PARKING

All drivers must observe **the 15-mph speed limit**, traffic signs and all crosswalks. The speed limit between the football field house and Battlefield Elementary School is **10-mph** and must be observed at all times. All cars exiting by the field house must turn right at the baseball field. Failure to comply with these rules may result in loss of driving privileges.

All faculty, staff and student motor vehicles must be registered and a current parking permit displayed. Registered vehicles must be covered by insurance and the driver must have a valid driver's license.

Student registration will be \$25 per year. The permit must be displayed by hanging it from the rearview mirror with the permit number facing the front of the vehicle. All lost or stolen permits must be reported immediately. Replacement cost for a lost permit will be \$5. Use of stolen permits can result in loss of driving privileges.

Parking for the disabled is available. All disabled students must be able to present certification of being disabled from the Georgia Department of Public Safety. **SCHOOL ADMINISTRATORS HAVE THE RIGHT TO SEARCH VEHICLES PARKED ON CAMPUS AT ANY TIME.**

GENERAL PARKING AND TRAFFIC RULES

When students who drive enter the school parking lot, they should turn right and enter parking spaces from the wooded side of the parking lot. Parent drop-off and pickup will be in the designated areas in rear of school. **Behind the school, right lane is for through traffic and left lane is for parent pick up.**

The registrant of the motor vehicle is held responsible for the safe operation of the vehicle and the proper parking of the vehicle regardless of who may be the operator. Cars are to be parked only in spaces assigned for students. Student parking is designated by white lines. Parking is prohibited in the drive in front of the school. Vehicles improperly parked or without a parking permit may be towed away at the owner's expense. Speed limits as posted must be obeyed. Failure to do so could result in a fine, loss of driving privileges or both.

All vehicle accidents on campus must be reported immediately to the office and an investigation into the accident will be conducted by the police officer on duty. Neither Lakeview-Fort Oglethorpe High School nor any of its employees assume any responsibility of liability for the loss of theft or damage to vehicles parked in the parking areas.

Students may not go to vehicles for any reason during the school day. Students may not go to vehicles in route to the Field House or any other external building. Vehicles left on campus after schools may be towed away at the owner's expense. Vehicles should not be left on campus overnight. The principal of LFO has the authority to issue school citations and can appoint any member of his staff or faculty to issue these citations.

If fines are paid within five (5) school days, the fine will be reduced by one-half (1/2). All fines are to be paid in the school bookkeeper's office.

LUNCHROOM

Lunch and breakfast are available daily in the school cafeteria. Parents may pay for student's lunches in advance by making a check out to LFO School Cafeteria. They may pay by the week, month, semester or year. **No lunchroom charges are accepted.**

Students may bring their lunch to school but **cannot have lunch delivered to them from outside the school.** Students may not check out for lunch and return to school. Lunches on trays must be eaten in the lunchroom. All food items not on trays must be eaten in the lunchroom, picnic area or main commons area.

Out of consideration for others, please leave the tables and eating areas clean. All lunchroom trays and silverware are to be returned to the cleaning window and all wrappers and trash should be placed in trashcans located in the commons and picnic areas.

After finishing lunch, students are to remain in the lunchroom or commons area (up to the glass doors) until the bell rings. Restrooms in the commons area are open during lunch.

HALLWAYS DURING LUNCH WHERE CLASSROOMS ARE LOCATED ARE OFF-LIMITS DURING LUNCH AND STUDENTS ARE NOT TO ENTER LOCKERS UNTIL THE BELL RINGS.

Soft drink and snack machines are provided for students in the commons area. All soft drinks and snacks are to be eaten in the commons area at lunch and at break. **DRINKS OR CONTAINERS ARE NOT TO BE TAKEN INTO HALLWAYS OR CLASSROOMS FOR ANY REASON. Field trips are taken to enhance the Instructional Environment. Students must be passing all classes to participate in Field Trips. Teachers must sign off for students to attend.

GUIDANCE SERVICES

Student schedules are planned carefully with the input of the student, parent, and guidance counselor. Course selections from the student help to create the schedule of classes for that

All students will take eight End Of Course Tests throughout the course of their HS career. Students do not need to pass the EOC in order to get credit for the course but are encouraged to do their best as the EOC Tests count for 20% of their final grade. There are two EOC tests in every content area (English/Language Arts, Math, Science and Social Studies).

WITHDRAWAL OR TRANSFER FROM SCHOOL

Any student who plans to withdraw from LFO at any time before the end of the school year should report to the guidance office with the custodial parent/guardian to authorize the transfer or withdrawal. The student will be given a checkout form that is to be signed by all of his/her teachers. All school property and books are to be returned to the persons who issued them. All obligations and fines are to be paid. The completed checkout form is to be returned to the guidance office.

EXTRA-CURRICULAR PARTICIPATION /ATHLETICS

Catoosa County School athletics is a privilege and not a right: therefore, I understand and agree to be held to a higher standard of conduct and dress than a student who does not participate in athletics. I acknowledge that this higher standard of conduct will cover my actions at school, on the field and in the community. I will refrain from taking part in any activity that might reflect negatively on my school or team. I understand that drugs and alcohol are harmful, and that all athletes in Catoosa County Schools are subject to drug/alcohol testing in accordance with Catoosa County Board of Education drug testing policy. I recognize that the use of tobacco products is a major health risk and is prohibited by school policy; therefore, I agree not to use or possess tobacco products at any time during the school year. I agree to dress tastefully and conservatively at all times because I represent my school to others. I know that all school rules are in effect during athletic

practices and contests, but I also understand that there are additional **SPECIAL RULES** that are given by the coaching staff to make our team stronger. Infractions of these rules will become a part of the student's discipline record.

DRUG/ALCOHOL

Possession or use of drugs or alcohol:

1st Violation: Minimum suspension of 20% of the regular season games. Before participation in another game, the student must submit a comprehensive drug test, at family's expense, that would indicate the presence and level of concentration of a full panel of drugs. This drug test should be negative of the presence of drugs, or in the case of marijuana, should reveal a declining concentration of the substance.

2nd Violation: Dismissal from the athletic program for a calendar year.

3rd Violation: Dismissal from participation in athletics permanently in Catoosa County.
